SKILLS

Programming: C,Python, Java

Web and Application Development: HTML, CSS, Javascript

Database: SQL(MySQL)

Technologies & Tools: Git, GitHub

PROJECT WORK

- **Portfolio Website (2025):** Developed a responsive and modern personal portfolio website using Next.js, Tailwind CSS, and React. The website showcases projects, skills, and experience in a clean, accessible layout with smooth page transitions and SEO optimization. Implemented dynamic project listings, a contact form with email integration, and server-side rendering for performance. Deployed the site on Vercel, ensuring fast load times and continuous deployment from GitHub.
